

Auburn Dance Center

2008 Fall Newsletter

We were very excited about the wonderful article and pictures in the Wednesday, October 1st edition of the Auburn Reporter Newspaper, especially with the picture of Akemi Segawa (Instructor) on the front page.

Special recognition to the students that have represented the school by performing in the following shows:

Auburn Good Old Days (August 16th)

Nashay Butler, Abbigail Dohse, Alexandra Dykeman, Emma Hogan, Elaina Klopstein, Melina LaBoyne, Sammantha Moore, Trinity Reynolds, Amanda Schendzielos

The Puyallup Fair (September 19th)

Jordan Cook, Sammantha Moore

Junior J.C. Banquet at the Doubletree Hotel (September 29th)

Jordan Cook, Stevie Goodall, Kristina Kelly, Sammantha Moore, Akemi Segawa

Observation Week

Observation week will be the 2nd week of November. During this lesson parents should refrain from talking as it is very distracting to both the students and the instructor.

Snow Days

Auburn Dance Center follows the same snow day guidelines as the Auburn School District. We are closed for snow if the Auburn School District cancels classes.

Bring A Friend to Class

We have coupons that allow friends of students to take a free introductory class. Inquire at the desk.

School Closure Days

Thanksgiving The school will be closed Thanksgiving weekend Thursday, November 27th through Sunday, November 30th.

Christmas The last day of classes will be Tuesday, December 23rd. Classes will resume Monday, January 5th. *The school will be open for all other holidays except Memorial Day.*

Spring Dance Showcase

On the week of December 15th, newsletters will be given out for the June 13th Dance Showcase. Costume deposits will be due in January.

Helpful Hints

- It's necessary to be on time for classes. Many classes require that students be properly warmed up before dancing.
- Parents should have their child use the restroom before class rather than missing valuable class time.
- Only bottled water (with cap tops) are allowed in the classrooms.

Our goal is to educate the minds and bodies of all our students and to teach them the skills needed for a successful life.
